2. We understand that the goal of the Verde Valley School ("School") is to educate students for college and for life. In connection with this goal, the School sponsors a variety of activities, many of which are summarized in the Handbook and include team sports, horseback riding, rock climbing, fitness, martial arts, and camping. We understand that these activities may involve a risk of injury, other harm or damage to the Student and the Student's property.
3. We understand that the Student may engage in activities on- or- off School campus. Some activities may be sponsored by the School, while others may not be sponsored by the School.
4. The Student willingly agrees to comply with terms and conditions for participation in all activities. If I observe any unusual significant hazard(s) during my presence or participation I will remove myself from participation and bring such to the attention of the nearest instructor or school employee immediately.
5. We understand that the Student may be engaging in activities that involve a risk of serious injury, including permanent disability and death, and severe social and economic losses which might result not only from the Student's own actions, inactions or negligence, but the actions, inactions, or negligence of others, including the School and its agents, employees and affiliates, or equipment the Student may use. Further, there may be other risks not known to the Student and the Student's parent or guardian, or not reasonably foreseeable.
6. By signing below, the Student and the Student's parent or legal guardian, assume all of the risks relating to the activities set forth in the Handbook and any activities in any way relating to the School. The Student and the Student's parent or legal guardian accepts personal responsibility for any damages following any such injury, permanent disability, and death or property damage.
